

Dear Donor,

On behalf of the board of directors and the many volunteers, I want to personally thank you for supporting Mammograms In Actions, Inc. Our mission is to provide funding for qualified women and men who need screening and /or diagnostic procedures in the prevention of breast cancer.

Our non-profit organization was formed in 2009 and was inspired by a dear friend that was diagnosed with breast cancer at the age of 26 after being turned away because of her age. Mammograms In Action's fundraising activities have grown into a nationwide project.

In 2009, we raised \$4,000.00 with our very first fundraising event in Lake Forest, CA. In 2010, we exceeded that amount by almost a hundred times with support in 5 countries, 42 states in North America, over 5,000 participants and a Reebok sponsorship we raised over \$300,000. This year we hope to keep our momentum going our goal is to exceed that amount by 5 times by raising \$1.5 million, which will provide services for thousands of women and men nationwide. We hope that we can reach this goal with the strong sponsorships and community support we are receiving. I personally believe that everyday is an opportunity to make a difference. Today is your day.
